

NORTHERN ARIZONA UNIVERSITY

GO BABY GO!

November 12 and 13

Go Baby Go Seminar

TedMed Speaker Dr. Cole Galloway will be talking at Northern Arizona University about the Go Baby Go program, which aims to provide mobility to children with special needs in an effort to foster independence and enable development.

What: Seminar by Dr. Cole Galloway

When: 11am - 12pm November 12, 2015

Where: NAU Campus
ARD Large Pod

Go Baby Go Build Event

NAU students, therapists, and early educators from the Flagstaff area, with the Go Baby Go Team from UD, will be building cars for children with special needs. Pre-registered families will go home with their own car that day. There is no cost to families to participate.

What: Go Baby Go Build Event

When: 9am - 3pm November 13, 2015

Where: NAU Campus
ARD Large Pod
