

Switch-Adapted Toy Workshop

Part II

Learn how to switch-adapt a simple remote control toy!

What's an adapted toy? Switch-adapted, battery-operated toys have been permanently modified so that a child with a disability can use another switch instead of the toys' on/off buttons.

When: Saturday, June 4th, 9:00 a.m. - 12:00 p.m.

Where: Northern Arizona University
Assistive Technology Center
Building 27A, Room 171
(Parking permits are not required for Parking Lot P13 on Saturdays)

Cost: \$25.00 (Includes the toy and the items needed to adapt it.)
Make check payable to **Northern Arizona University** or call Adi to pay
by credit card (602-728-9534 / 800-477-9921).

Registration: Space limited to **12** persons for each session.
Advance registration required!
Register online at <http://aztap.org/at-education/register-online/>.
Or call 602-728-9534 or email Adi.Schaeffer@nau.edu.

Soldering skills would be helpful with this workshop.

A limited number of tool sets will be available for use that day. However, if you have any of the following items, you might want to bring them:

Soldering Iron * Small Wire Cutters * Small Wire Strippers
