

Switch-Adapted Toy Workshop

Taking It to the Next Level

Learn how to switch-adapt a simple remote control toy!

What's an adapted toy? Switch adapted, battery operated toys have been permanently modified so that a child with a disability can use another switch instead of the toy's on/off button.

When: This workshop is offered twice:
Session 1: Monday May 9th 1:00 p.m. - 5:00 p.m.
Session 2: Tuesday, May 10th 1:00 p.m. - 5:00 p.m.

Where: The Arizona Technology Access Program (AzTAP)
300 W. Clarendon Ave, Suite 475 (new address)
Phoenix, AZ 85013

Cost: \$25.00 (Includes the toy and the items needed to adapt it.)
Make check payable to **Northern Arizona University** or call Adi to pay by credit card (602.728.9534 / 800.477.9921)

Registration: Space limited to **12** persons for each session
Advance registration required!
