

DIY WORKSHOP #1

Switch-Adapt a Simple Plush Toy

What's an adapted toy?

Switch-adapted, battery operated toys have been permanently modified so that a child with a disability can use another switch instead of the toy's on/off button

A limited number of tool sets will be available for use that day. However, if you have any of the following items, you might want to bring:

*Soldering Iron
Small Wire Cutters
Small Wire Strippers*

- When:** 2 sessions:
Session 1: Tuesday, October 24th, 12:00 p.m. - 3:00 p.m.
Session 2: Monday, November 6th 12:00 p.m. - 3:00 p.m.
- Where:** The Arizona Technology Access Program (AzTAP)
300 W. Clarendon Ave, Suite 475 (new address)
Phoenix, AZ 85013
- Cost:** \$25.00 (Includes the toy and the items needed to adapt it)
Make check payable to Northern Arizona University or call Adi to pay by credit card (602.728.9534 / 800.477.9921)
- Registration:** Space limited to 12 persons for each session
Advance registration required!
