Have It Our Way:

How Assistive Technology Frees People With Disabilities

(Into A Society That Fears Them)

Justin Martin
@jmartinwrites
justinmartinwrites@gmail.com

Some Dates:

Civil Rights Movement

- Civil Rights Act (1964): desegregated buildings and most businesses, tried to enforce educational equality.
- Voting Rights Act (1968): Reinforced voting provisions in the above

Disability Rights Movement

- Americans With Disabilities Act (1990)
- Individuals With Disabilities Education Act (1975, as the EHA)
- Help America Vote Act (2002)
