

Wi-Fi and Conference App Instructions

Wi-Fi:

Open your Wi-Fi settings application on your device and "Resort-Guest" will pop up.

Click on that and you are in - no special password needed!

Mobile Conference App: Appendee

You can access our **FREE** conference app for your smart phone or tablet by scanning the QR code into your mobile device, or entering this link into your browser:

<https://apnd.me/ihde4s>.

NEW! Appendee phone/tablet app

Download Appendee from your app store on your device and input **ihde4s** for the event code.

Click on person icon  at the upper right of the app to create your login so you can network at the conference!

*Should you require assistance with these, please come to the Conference Registration Desk.
