Assistive Technology Specialis

candicesteel8@gmail.com

Disclosure

Candice Steel, SLP-L, ATP: Assistive Technology Specialist for Gompers, a non-profit serving individuals with disabilities. AzTap Conference Committee member.

Mark Botterbusch, CESP: Employment Services Director for Gompers and Certified Person-Centered Planner.

We both received financial support to attend the conference from our employer.

Learner Objectives:

1. Participants will be able to identify at least three domains to discuss with individuals with a disability label to provide input on the decision making process
2. Participants will be able to identify at least two examples of a 3-5 year vision.
3. Participants will be able to describe at least two types of natural supports available to an individual with developmental disabilities.
